MR. N. W. MORRIS

Principal

Since September, Mr. Morris has been a familiar figure around our halls. His job as principal carries great responsibility, but he has proved himself more than capable. We know the rising classes will find the same understanding that we have found in him.

Marlin Messenger Staff

The first year of a new school is said to be the most formative year; so it is with a newspaper. In this first year, Bayside High School has become an organized student body with many clubs and organizations. The formation and organization of this school is news; this news is the history of Bayside High School. The object of the school newspaper is to publish a concise, complete history of the school, to publish school opinions, and to unite the school.

The Marlin Messenger, which is in its first year of publication, prints seven issues a year, under the direction of Mrs. C. J. Payne. Staff members are chosen according to abilities and interest.

The Drama Club has attempted to create a better understanding of the field of Drama. Our first year has been slow in getting started but with the cooperation of club members we are now proceeding at a faster pace.

The stage crew has been active in all school productions and the boys are becoming efficient with the lights and stage settings. Besides the stage crew the club was separated into two other divisions; one group for costumes, props, and make-up; and another group for acting.

The club sponsors are Mrs. West, Mr. Marshall, Mr. Webster, Miss League, and Mr. Johnson. The club officers are Laura Wright, President; Sue Blehm, Vice President; Tex Tothridge, Secretary; and Carol Mills, Treasurer.

Left to Right: D. Ruzick, K. Reightler, Mr. Marshall, S. Reardon, T. Farley.

The Sigma Theta Delta Tri-Hi-Y is a group of young women dedicated to the development of a more Christian attitude. The thirty members of this club have made their motto "Service Through Dedication" corresponding to the Greek letters. The Tri-Hi-Y platform includes both contribution and religion, and as each girl strives to develop her mind, body, and spirit, she dedicates herself to serving her community and the world. Among the worthwhile projects that were completed enthusiastically by the members are visiting a convalescents' home at Christmas, conducting a Stanley Products sale and buying many needed books for our library.

The Briggs & Stratton Corporation of Milwaukee, Wisconsin, very generously donated a 5-h.p. B. & S. engine to our Industrial Arts Program. They were the only small engine manufacturer to do so. This recognition on the part of industry of educational needs of schools is deeply appreciated. Thanks, B. & S.

EVINRUDE

FIRST IN OUTBOARDS

We at Bayside High School would like to express our appreciation to Evinrude Division of Outboard Marine Corporation of Milwaukee, Wisconsin for their very generous donation to our Industrial Arts Power Mechanics Program. This gift consisted of a forty horsepower Twin Electric Outboard with all accessories.
